The following questions were received by the deadline of 07/15/2022 @ 5:00pm. Answers are provided and posted on HTA's website.

1. Do you require the contractor to provide growth projections?

HTA can provide growth projections for fleet size and operations.

2. Is HTA hiring the Geotech, or should they be part of our team?

HTA will not provide Geotech services.

3. Is HTA handling all CEQA?

HTA will not provide CEQA services. However, HTA will be the lead agency.
