1. **Discussion Agenda** – Items requiring action by the HTA board.

   a. **Responses to the Fiscal and Compliance Audit.**

      During the board’s regular January 2009 meeting the 2008-09 Fiscal and Compliance Audit was presented to the board. The board directed staff to prepare the necessary responses to each entity affected by the audit findings. Those responses are included in this packet for the board’s final review.

      Action Necessary: Review staff’s responses to the Fiscal and Compliance Audit, if approved direct staff to send those responses to each entity affected by those findings.

   b. **Amend the HTA Salary Manual to add a new staff position.**
As staff has mentioned during the past several board meetings, the HTA organization has grown to the point of needing another staff member. Our current number of staff can no longer handle the workloads. In order to add a new staff position the HTA Salary Manual must be amended to include the new position. During the January board meeting staff was directed to take the matter before the Finance & Operations Committee for their review and recommendation and bring it back to the board during the February regular meeting.

Action Necessary: Review, discuss and direct staff. If approved, amend the HTA Salary Manual to include a new staff position.
