SUBJECT: Low Carbon Transit Operations Program (LCTOP)

LCTOP is one of several programs that are part of the Transit, Affordable Housing, and Sustainable Communities Program established by the California Legislature in 2014 by Senate Bill 862 (SB 862). The LCTOP was created to provide operating and capital assistance for transit agencies to reduce greenhouse gas emissions and improve mobility, with a priority on serving disadvantaged communities. Approved projects in LCTOP will support new or expanded bus or rail services, expand intermodal transit facilities, and may include equipment acquisition, fueling, maintenance and other costs to operate those services or facilities, with each project required to reduce greenhouse gas emissions.

Staff was notified by the Humboldt County Association of Governments (HCAOG) that there was $251,170 in LCTOP funds available to the region and $50,327 to Humboldt & Eureka Transit for projects that will reduce greenhouse gases. Below is a summary of projects being applied for:

**Increased Frequency on RTS:** In an effort to make public transit more convenient to the public, this project will reduce the wait times between CR & HSU from 30 minutes down to a bus running every 15 minutes during peak hours. Also the last north and southbound run of the night will be extended from 10:15 pm to 12:30 am. The target date to start these services is January 1, 2020 and will operate one year as a pilot program.
*Total Requested: $201,170*

**Ticket Vouchers:** This project will distribute free transit vouchers, raise awareness of existing routes, and promote the agencies cellular phone bus fare application.
*Total Requested: $90,327*

**Action Recommended:** Adopt resolution 19-02 authorizing application for LCTOP grant funds and authorize the General Manager to execute all required documents of the LCTOP.

DATE:     March 27, 2019

SUBJECT:  Agreement between the Humboldt Transit Authority, City of Arcata, County of Humboldt
          and the Humboldt County Association of Governments Regarding Dial-A-Ride Services
          Operating and Administrative Cost-Sharing.

The Humboldt Transit Authority is the Coordinated Transportation Services Agency for the region and is
tasked with consolidating contracts, zones, and schedules to streamline the system to keep costs down
and make it easier for the passenger to navigate the system.

This last year, HTA Staff consolidated zones, implemented a new dispatch software, and streamlined the
Contract for Services. Over the last two months, staff has met with representatives from the City of
Arcata, the County of Humboldt and the Humboldt County Association of Governments to come to an
equitable agreement for a cost sharing methodology. (Attachment 1)

Every February, staff will compile the data from the past calendar year to determine the registered users
and how many trip origins from each funding source took place for the upcoming fiscal year. Because the
numbers will fluctuate from year to year, agencies wanted more time for budget planning.

The proposed contract is for a one-year term beginning July 1, 2019 with no increase for services.

Action Recommended: Approve the Agreement between the Humboldt Transit Authority, City of Arcata,
County of Humboldt and the Humboldt County Association of Governments Regarding Dial-A-Ride Services
Operating and Administrative Cost-Sharing.

AGREEMENT BETWEEN
THE HUMBOLDT TRANSIT AUTHORITY, CITY OF ARCATA, COUNTY OF HUMBOLDT AND THE
HUMBOLDT COUNTY ASSOCIATION OF GOVERNMENTS

REGARDING DIAL-A-RIDE SERVICES OPERATING AND ADMINISTRATIVE COST-
SHARING

This Agreement Regarding Dial-a-Ride Services Operating and Administrative Cost-sharing is
made as of the date of the last party signing below by and among the Humboldt Transit Authority,
a joint powers public agency of the State of California (hereinafter referred to as “HTA”), the City
of Arcata, a municipal corporation of the State of California (hereinafter referred to as
“ARCATA”), the County of Humboldt, a political subdivision of the State of California (hereinafter
referred to as “COUNTY”), and the Humboldt County Association of Governments, a joint powers
public agency of the State of California (hereinafter referred to as “HCAOG”). This Agreement is
effective July 1, 2019.

RECATALS

1. Effective July 1, 2016, HCAOG designated HTA as the Consolidated Transportation Services
Agency (CTSA) for Humboldt County, with responsibility, among other things, for
administering a consolidated region-wide program to provide advance-reservation, curb-to-
curb transportation for qualified elderly and disabled persons in the Cities of Arcata and
Eureka and un-mandated areas in the County (“Dial-a-Ride” or “DAR”).

2. Dial-a-Ride currently serves approximately 750 Dial-a-Ride registrants and provides
approximately 24,000 rides per year.

3. Dial-a-Ride services are financed by Transit Development Act (TDA) funds administered
through HCAOG. HCAOG distributes TDA funds separately to ARCATA, HTA, and the COUNTY
for the specific purpose of providing Dial-a-Ride services.

4. Consolidation of Dial-a-Ride services administration into one contract will result in improved
and more economical Dial-a-Ride services throughout the region.

5. Pursuant to HTA’s CTSA authority, HTA is prepared to enter into a contract with City
Ambulance of Eureka, Inc. to provide Dial-a-Ride services within Arcata, Eureka and un-
mandated portions of the County effective July 1, 2019.

6. The parties seek to fund HTA’s administration of a consolidated Dial-a-Ride contract through
pro-rata contribution of each jurisdiction’s TDA Dial-a-Ride funding to define respective
agency roles, responsibilities, and commitments in the operation of the region-wide Dial-a-
Ride services based on the terms below.
NOW THEREFORE, in consideration of the mutual covenants, conditions and terms recited herein and made a material part hereof, the parties agree as follows:

1. **Term.** The term of this is July 1, 2019 – June 30, 2020, unless terminated earlier as provided herein. This Agreement may be extended upon the mutual agreement of the parties.

2. **Dial-a-Ride Services, Contract.** HTA has qualified and shall enter into a contract with City Ambulance of Eureka, Inc. (“Service Contractor”) to provide Dial-a-Ride services within the jurisdictions of Arcata, Eureka, and the un-mandated portions of Humboldt County (“Service Contract”) beginning July 1, 2018. The Service Contract shall provide service levels or service terms substantially similar to current Dial-a-Ride service as shown in Exhibit B, attached hereto and incorporated herein. The HTA General Manager shall have the authority to change said service levels by up to ten percent (10%). Changes to said service levels in excess of 10% shall require advance approval by ARCATA, COUNTY and/or HCAOG, as appropriate.

3. **Payment for Costs of Services, Maximum Cost Service Contractor.** ARCATA, HTA, the COUNTY and HCAOG agree to share the cost of Dial-a-Ride services, as specified in Exhibit A. Payment to the Service Contractor under the Service Contract shall not exceed the Maximum Cost provided in Exhibit A, Paragraph 1. Such Maximum Cost does not include the administrative charge to be paid to HTA by HCAOG as CTSA.

4. **Administration of Service Contract.** HTA shall be responsible for administration of the Service Contract consistent with the administrative duties for Dial-a-Ride services set out in Exhibit B, attached hereto and incorporated herein. HTA's duties hereunder do not include bringing or defending litigation, administrative hearings or any other actions or proceedings, except as provided in Paragraph 16, or auditing the contractor's books, records or accounts.

5. **Eligibility to be Determined by HTA.** As part of HTA’s administration duties, HTA shall determine the eligibility of persons requesting the Dial-a-Ride services and shall issue tickets to persons determined to be eligible.

6. **Vehicles.** The Service Contract shall use HTA owned vehicles acquired with the use of Federal Transit Act (FTA) Section 5310 funds. HTA owns the following vehicles to be used in Dial-a-Ride service:

ARCATA, the COUNTY, and HCAOG may, at their own expense, provide for an independent audit of such records and accounts by a certified public accountant.

   b. Twice each year, HTA shall prepare and submit to ARCATA, the COUNTY, and HCAOG a
written summary of the Dial-a-Ride program which provides a comparison of the number of passengers carried, passengers per trip, revenue, contractor payments and fare box ratio for that month compared to the same 6-month period of the preceding year, together with such comparisons between the current fiscal year-to-date and the preceding fiscal year-to-date if such information is available.

10. **No Assignment.** No party hereto may assign, transfer, or otherwise substitute its interest or obligations hereunder without the written consent of the other party.

11. **Relationship of Parties.** Each party hereto is an independent contractor. No party hereto is the employee of any other party.

EXHIBIT A

THIS EXHIBIT sets forth the costs for the services provided pursuant to this Agreement.

The contribution for each entity is based on the formula of 50% registered users in each funding source (HCAOG, Eureka County, City of Eureka, Arcata County, & City of Arcata) and 50% of the number of ride originations in each funding source. HTA staff will re-evaluate the data each calendar year for the upcoming fiscal-year.

SUBJECT: Tish Non-Village Transit

Transportation services provided by the Humboldt Transit Authority for Tish Non-Village (TNT) began in July 2015. According to the Transportation Development Act (TDA), the service needs to meet the minimum standard of receiving 10% in fares (of the total operating costs) to be considered a viable system.

The TDA states that the first two fiscal years for “extension of services” is exempt from the required ratios. June 30, 2017, marked the end of the system’s exemption. Each system is afforded a “grace year” to work towards bringing the system into compliance. After efforts to make improvements from HTA staff and board members, the system failed to reach its goal. (See below)

To date, TNT’s ridership is down from the prior year and the farebox has dropped below 4%. Humboldt County Public Works notified HTA staff they will be canceling the contract at the end of this fiscal year due to the system not able to meet the minimum requirements. Staff will need to adjust the RTS route and schedule to accommodate the surrounding areas that will be affected.

*Action Recommended: Direct staff to notify the public of bus service ending for Tish Non-Village on June 30, 2019 and to make preparations to serve the residents of Fernbridge, Loleta, and Palmer Blvd. on July 1, 2019.*
